# New Site Policy

## (Second Batch)

**Site-Virtus**  
**Administrative Department**

---

Document ID: AD-Int-003  
Classification: Unrestricted(CL-1)

## **NOTICE FROM SITE DIRECTOR**

Anyone failing to follow the new batch and the old one will be dealt with actions, as well violating will be dealt with legal actions and valid ways.

Failing to follow other rules settled by departments like Ethics Committee, Code Of Ethics also once again the protocols, failing to follow will once again result in questioning and detainment. If you have any issues or problems with the new in-act Site Policy, I'm very much open to discuss it with you.

**–Dir.Harry Thus**

## **1.Policies**

### **Policy I**

All personnel within the Site regardless of their respective departments, must respect each other no matter what their Clearance Level is. To make fun of one's Clearance Level will be questioned as it's poor decision making for sportsmanship.

### **Policy II**

Combatants trying to enter Sector Three (3) with something to the effect of "[CLASSIFIED]", will be immediately denied entry, unless you have to think of a reason that is within their clearance.

### **Policy III**

People trying to join a MTF Unit (WITHIN SV), must go through the Security Department and have reached Clearance Level Three (3), also have met the requirements of the application of the MTF (It's given that MTF members that passed tryout will be given CL3).

## **Policy IV**

All neutral and friendly factions will be still questioned if the Site is on Code Purple status, despite their clearance level and their faction status. This is to avoid false relations and to prevent taking advantage of the Foundation's kind gestures and utmost important the entirety of Site-Virtus.

## **Policy V**

All Class-A personnel are prohibited from making contact with Class-D personnel. In addition to this, they should do their best to avoid interaction with any anomalies (SCPs), and should go to a secured area at all times. Class-B personnel are prohibited from interacting with Class-D personnel as well, and should not make contact with any SCPs, anomalous objects, etc. until they are quarantined and cleared of memetic effects or mind-altering effects. When observing tests, Class-B personnel would be advised to watch from a safer distance, such as an observation room.

## **Policy VI**

Entering an area that requires proper authorization without authorization from the aforementioned department; Administrative Department, Ethics Committee and Internal Security Department. Will be detained without questions and be taken out of the area for questioning and will be given three warnings, termination will be automatically given.

## **Policy VII**

Entering inside of the checkpoint window with an Administrative Department member inside, YOU'RE not allowed to enter without proper authorization and opening the door from there. Failing to follow will result in detainment and will be given three warnings.

## **Policy VIII**

Non-combatants possessing weapons are allowed to use their weapons, but they must sign a waiver that their Department High Command and their Overseer (O5) will not be involved once the Ethics Committee has questioned them about arming themselves. Those that have signed a waiver must use their guns if they're shot at, as this allows for self-defense.

## **Policy IX**

Class-A and Class-B personnel are now prohibited from using weapons unless they are given to them by their guarding units. Usage of these weapons is restricted to self-defense ONLY.

## **Policy X**

OORP (Out of Roleplay) will be limited to the following: Moderators; High Commands and Morphers. To go AFK (Away from Keyboard) is still allowed and OOC (Out of Character) is also permitted if both parties have agreed.

## **Policy XI**

Security Department members with a Clearance Level Two (2) must stay at CDC at all times failing to follow this pre-set policy will be questioned by the Internal Security Department and their respective Commander.

## **Policy XII**

A maximum of TWO (2) units are allowed to be at Sector Three (3) during code green, excluding the security details of Class-A personnel.

### **Policy XIII**

Anyone within the Office of the Administrator and the Administrator himself can and will be detained by enforcers assigned by the Administrative Department.

### **Policy XIV**

What should be in all ranks of aforementioned MTF and their fellow combatant departments (including faction), their primary, secondary, radio and clearance level, unless their department has special items and their assigned combat role. For Non-combatants will be their radio, clearance level and authorization, if they signed a waiver their rtag (Role Tag) must say “ARMED” to know who is armed and who isn't.

### **Policy XV**

Shooting people randomly will and can be detained by anyone who has the permission to detain and will be questioned upon why they're shooting randomly.

### **Policy XVI**

MTF Unit members that are classified as THAUMIEL-Class must not show which unit they're in and if they have no duties, i.e; Mobile Task Force Resh-1 (Seat of Consciousness) and their Administrator is not on site/did not deploy, they must then disguise themselves as a different MTF unit and must decrease their clearance level by one (1).

---

## **Policy XVII**

The security detail of Site Council members will be now decreased to four (4) members, as other Site Council members require security detail as well. Failing to protect the Site Council members will result in failing the Foundation itself and to all units (including faction) with no task as mentioned, you can volunteer to protect Site Council members.

## **Policy XVIII**

Upon entering Sector Three, you will be given a time limit by the assigned Administrative Department member in the checkpoint window. However, there will be no time limit for testing Scientific Department (ScD) Members, though they must follow protocols in place.

## **Policy XIX**

Combatant units with nothing to do/no task given, are to patrol around the Site and respond to help and assistance of any department ex; ScD requesting escort to a test in Sector three (3).

## **Policy XX**

Department Members that are within DHC+ (Department High Command) or Faction units with CL5 will not be asked for their cards but instead must state a valid reason, but during code **PURPLE** they must show a CL4 instead of their CL5 card as to keep the confidentiality. Only Site Council personnel will be asked for their reason of entry despite the code being **PURPLE**.
